5 Committee Work Plan 2016/17

This report reviewed progress against the Strategy and Resources Committee 2015/16 Work Plan and put forward a 2016/17 Work Plan for consideration and approval by Members.

The Corporate Support Manager (CSM) advised that following discussions at the Risk Management training session, officers will include consideration of corporate risk within pertinent reports rather than presenting separate corporate risk reports to the Committee.

The Chair commented that the Risk Management training session had been very good. The CSM agreed and stated that it had also been timely.

It was proposed by Councillor West, seconded by Councillor Roberts, and

Resolved that the Committee

- a) Note progress made against the Strategy and Resources Committee 2015/16 Work Plan; and
- b) Approve the Work Plan for 2016/17, attached as an appendix to the report, without amendment.

6 Committee Terms of Reference

This report proposed some minor amendments to the Terms of Reference of the Strategy and Resources Committee for consideration and recommendation to the Fire Authority, following the annual review conducted by officers.

The CSM outlined the change relating to corporate risk management reporting as set out on page 2 of the report. Councillor West commented that this change made sense.

It was proposed by Councillor Carter, seconded by Councillor Barrow, and

Resolved that the Committee, having considered the proposed amendment to its Terms of Reference, as set out at section 4 of the report, agree to recommend the changes to the Fire Authority.

7 Review of Member Role Descriptions

This report asked Members to review the Role Descriptions for the Chair and Vice-Chair of the Strategy and Resources Committee and for the Chair of the Strategic Planning Working Group.

The CSM asked if members were happy with approach being taken whereby links are given to documents on the website rather than the documents being attached to the printed papers, as with the Role Descriptions referred to in this report. Members agreed that they were happy with this approach. Councillor Carter commented that, unlike Shropshire Council, the use of Telford & Wrekin Council IT equipment is voluntary. Councillor West proposed that Telford & Wrekin Council members are therefore supplied with hard copies if needed. The CSM undertook to write to the members concerned to check if they wished to receive paper copies.

It was proposed by Councillor Barrow, seconded by Councillor Roberts, and

Resolved that the Committee, having reviewed the Role Descriptions for the Chair and Vice-Chair of the Strategy and Resources Committee and for the Chair of the Strategic Risk Working Group, agree the changes required.

8 Service Targets 2016/17

This report presented the proposed Service targets for 2016/17.

The Planning and Programme Manager presented this report with the Head of Service Delivery Transformation and the Head of Service Delivery (HSD) providing further detail, as required, on the changes made to the targets.

As part of this detailed explanation of the targets, Councillor Barrow asked how the Service evidenced the impacts of its campaigns. The HSD explained that it is very difficult to align campaigns with direct impacts on performance. The best approach is to look at statistics nationally and use judgment with regard to this Service's performance.

There was also some discussion around the use of 'Exeter' data which relates to people aged 65 + years. This data has been used successfully with Telford & Wrekin Council and similar working is now being undertaken with Shropshire Council.

The Chief Fire Officer (CFO) explained that it is necessary for Shropshire Fire and Rescue Service to set targets as they direct and/or change the Service's organisational strategies and assist with the assessment of the Service's performance. The CFO also explained that targets are an inheritance from the Department for Communities and Local Government and this may change now that fire services have come under Home Office direction.

It was proposed by Councillor Barrow, seconded by Councillor West, and

Resolved that the Committee agree the proposed Service targets for 2016/17.
