Report of the Chief Fire Officer

For further information about this report please contact Rod Hammerton, Chief Fire Officer, on 01743 260201 or Germaine Worker, Head of Human Resources and Administration, on 01743 260210.

1 Purpose of Report

This report puts forward a 2019 Work Plan for the Audit and Performance Management Committee for consideration and approval by Members. The report also reviews implementation of the activities listed in last year's Work Plan.

2 Recommendations

The Committee is asked to approve the Audit and Performance Management Committee Work Plan 2019, attached as an appendix, subject to any amendments / comments the Committee may wish to make.

3 Background

Since March 2009 the business of the Audit and Performance Management Committee has been conducted in accordance with an annual Work Plan. The Plan sets out in a structured manner what the Committee's activities will be throughout the year, thus ensuring that the responsibilities imposed by its terms of reference will be carried out in a timely manner and that no deadlines will be missed.

The proposed 2019 Work Plan is attached as an appendix to this report for consideration by the Committee.

4 Review of 2018/19 Work Plan

Having carried out a review of the 2018/19 Work Plan, officers can confirm that all activities, listed in the Plan, have been carried out or are on the agenda for this meeting, with the exception of those detailed below

April 2018

Review Terms of Reference of the Committee

Review Role Descriptions for the Chair and Vice-Chair of the Committee and for the Member Champion for Risk Management and Audit

Receive report on Service Targets for 2019/20 (Agreed at Strategy and Resources Committee in March)

These items did not go to the Committee due to the potential change of governance that was likely to occur in June.

5 Proposed 2019 Work Plan

During the review of the 2018/19 Work Plan officers also considered what activities should be included in the Work Plan for 2019, taking into account any recent developments.

Attached as an appendix to this report is a draft 2019 Work Plan, outlining all of the actions which, it is expected, the Committee will need to carry out during the coming year. The Committee is asked to provide any comments or suggestions with regard to the attached draft Work Plan and approve the contents.

The Shropshire Fire Risk Management Services Ltd. monitoring report has been removed from the Work Plan following the Fire Authority's decision in February 2018 to place the company into hibernation.

6 Financial Implications

There are no direct financial implications attached to the approval of the Work Plan itself. There may, however, be financial implications associated with a number of the actions listed, for which individual reports will be brought to the Committee as necessary, detailing those specific implications.

7 Legal Comment

The Audit and Performance Management Committee is not legally required to have in place a Work Plan. This does, however, represent good practice.

The decision to approve the Work Plan will not affect the discretion of the Committee during the forthcoming year, as it can, at subsequent meetings, decide to amend the Work Plan, if it is necessary to do so.
