

Committee Constitution and Training Needs

Report of the Chief Fire Officer

For further information about this report please contact Rod Hammerton, Chief Fire Officer, on 01743 260204 or Germaine Worker, Head of Human Resources and Administration, on 01743 260210.

1 Purpose of Report

This report brings the constitution of the Standards and Human Resources Committee to its Members for review. The report also asks Members to consider whether there is any training or development, which should be undertaken by the Committee in order to fulfil its role.

2 Recommendations

Members are asked to:

- a) Review the constitution of the Standards and Human Resources Committee (attached as an appendix) and make recommendations to the Fire Authority regarding any changes required; and
- b) Consider and decide whether there is any training or development, which should be undertaken by the Committee in order to fulfil its role.

3 Background

The Standards and Human Resources Committee reviews its Terms of Reference annually and the Committee's Work Plan for March 2017 includes this action. The Committee is, therefore, asked to review the Terms of Reference, attached as an appendix to this report. Officers have already carried out a review and do not propose any amendments.

4 Training Issues

The terms of reference of the Committee include:

“To ensure the provision of appropriate training and development to all Members of the Committee to enable them to discharge their responsibilities”. Members are asked to consider and decide whether there is any training or development, which should be undertaken by the Committee in order to fulfil its role.

5 Financial Implications

There may be some cost implications relating to the provision of training for Members but these are as yet unknown.

6 Legal Comment

The terms of reference contain provisions to ensure that the Fire Authority meets its obligations in respect of the ethical standards framework for Members, as required in Part 1, Chapter 7 of the Localism Act 2011.

Whilst not a legal requirement, it is good practice to undertake a regular review of the terms of reference. If any legislative changes arise, which require amendments to the terms of reference, officers will inform the Committee accordingly.

7 Initial Impact Assessment

This report merely brings the existing terms of reference of the Committee to the notice of its Members. An Initial Impact Assessment has not, therefore, been completed.

8 Equality Impact Assessment

There are no discriminatory practices or differential impacts upon specific groups arising from this report. An Initial Equality Impact Assessment has not, therefore, been completed.
