Statement of Purpose

Audit*

To provide an independent and high-level resource to support good governance and strong public financial management

To provide those charged with governance independent assurance on the adequacy of the risk management framework, the internal control environment and the integrity of financial reporting and annual governance processes.

~~To provide "an independent, objective assurance and consulting activity designed to add value and improve an organisation's operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes."~~

**** As defined in the Chartered Institute of Public Finance and Accountancy (CIPFA) Audit Committees: Practical Guidance for Local Authorities and Police (2013)***

* As defined in the Public Sector Internal Audit Standards (PSIAS), produced by The Chartered Institute of Public Finance and Accountancy (CIPFA) in association with The Chartered Institute of Internal Auditors (CIA)

Performance Management

To oversee the process of assessing progress toward achieving the Fire Authority's predetermined aims, as set out in the Service Plan. The Committee's role involves building on that process, adding the relevant communication and action on the progress achieved against the predetermined aims.

Audit Core Functions*

To be satisfied that the Fire Authority's assurance statements, including the Annual Governance Statement, properly reflect the risk environment and any actions required to improve it, and demonstrate how governance supports the achievement of the Fire Authority's objectives

In relation to the Fire Authority's internal audit functions:

- ***To oversee its independence, objectivity, performance and professionalism***
- ***To support the effectiveness of the internal audit process***
- ***To promote the effective use of internal audit within the assurance framework***

To consider the effectiveness of the Fire Authority's risk management arrangements and the control environment. To review the risk profile of the organisation and assurances that action is being taken on risk-related issues, including partnerships with other organisations

To monitor the effectiveness of the control environment, including arrangements for ensuring value for money and for managing the Fire Authority's exposure to the risks of fraud and corruption

***To consider the reports and recommendations of external audit and inspection agencies and their implications for governance, risk management or control
To support effective relationships between external audit and internal audit, inspection agencies and other relevant bodies, and encourage the active promotion of the value of the audit process***

To review the financial statements, external auditor's opinion and reports to Members, and monitor management action in response to the issues raised by external audit

* As defined in the Chartered Institute of Public Finance and Accountancy (CIPFA) Audit Committees: Practical Guidance for Local Authorities and Police (2013)

As recommended in The Chartered Institute of Public Finance and Accountancy publication 'Audit Committees Practical Guidance for Local Authorities'
