Report of the Chief Fire Officer

For further information about this report please contact Rod Hammerton, Chief Fire Officer, on 01743 260204, Ged Edwards, Planning, Performance and Communications Manager, on 01743 260208.

1 Purpose of Report

This report informs Members about the corporate risk management work that has been undertaken during the previous twelve months.

2 Recommendations

The Fire Authority is asked to note this report.

3 Background

Ongoing monitoring of the Service's corporate risk management work is a responsibility of the Service Management Team (SMT) and Risk Management Group (RMG). In turn the Audit and Performance Management Committee (APMC) receive regular corporate risk management reports.

However, risk management best practice guidance also indicates that the full Fire Authority should receive a summary report at least annually.

4 Local Government Act 1972, Schedule 12A Reporting Exemptions

There is an exempt risk on the Corporate Risk Register. Details of this risk are provided in exempt paper 19 and will be covered in the closed session of the meeting.

5 Risk Management Progress

This section includes information about all events that have led to the current status with the Authority's corporate risk management system.

July 2016

APMC agreed the Annual Governance Statement (AGS) and Improvement Plan for inclusion in the 2015/16 Statement of Accounts. The committee also received a progress report against Internal Audit recommendations and a corporate risk summary report.

September 2016

RMG reviewed the Corporate Risk Register, Departmental Statements of Assurance, Departmental Risk Registers and Internal Audit Findings.

APMC received an update on progress against the AGS Improvement Plan and a corporate risk summary report.

December 2016

APMC received updates on the AGS Improvement Plan, progress against Internal Audit recommendations and a corporate risk summary report.

Internal Audit carried out its annual review of the Service's risk management and business continuity processes.

February 2017

Internal Audit's assessment of the Service's risk management and business continuity process are classified 'Good'.

Fire Authority received a corporate risk summary report.

March 2017

Members and officers received Cyber Risk Training from Zurich Insurance.

A new risk was added to the corporate risk register relating to the replacement of the Wide Area Network (WAN).

RMG reviewed the Corporate Risk Register, Departmental Statements of Assurance, Departmental Risk Registers and Internal Audit Findings.

April 2017

APMC received an update on progress against the AGS Improvement Plan and a corporate risk summary report.

Over the last twelve months the Corporate Risk Register has been reviewed by SMT at each of its monthly meetings.

6 Overall Summary

There are currently eleven risks on the corporate risk register, which includes one new risk added during this reporting year.

7 Financial Implications

There are no direct financial implications associated with this report.

8 Legal Comment

There are no legal implications associated with this report.

9 Risk Monitoring

When considering this work stream officers have reviewed Brigade Order 3 Part 2 Risk Management Protocol and have determined that there are no direct risk implications, as this is purely a risk management summary update.
