## 5 2011/12 Prudential Indicators

In line with the Chartered Institute of Public Finance and Accountancy (CIPFA) Prudential Code for Capital Finance, the Treasurer is required to establish procedures to monitor performance against all forward looking prudential indicators and, in particular, that net external borrowing does not (except in the short term) exceed the requirement to borrow for capital purposes.

The Fire Authority has established that it will receive regular monitoring reports during the year. The position to the end of February is shown below.

<b>Prudential Indicator</b>	<b>Budget 2011/12 £'000</b>	<b>Actual 2011/12 £'000</b>
Capital Financing Requirement (CFR)	8,256	8,125

There are currently no indications that the prudential indicators will be exceeded or amended.
